

Plotly Download Instructions for Windows

#1 - Download Plotly“Plotly.zip”.

#2 - Once the software downloads, simple extract the “Plotly.zip” file.

This could take some time, so get some coffee.

#3 - You will see “Plotly(.exe)”, simply right click and open the software.

If you are prompted with a security risk message, simply proceed and allow your computer to open the software. You will only ever need to do this once.

#4 - Plotly will open, and once it does, go back to the “Plotly(.exe)” file/folder, right click the file name and select the option to make Plotly a shortcut to be used on your desktop for easy access.

#5 - From now on you can access Plotly from the shortcode as long as you keep the original file/folder in the same location.

#6 - Enjoy!
